

The placement's aim is that the student should acquire practical experience in relation to the courses he/she has followed during his/her studies. The programme for the placement will be set in cooperation between the supervisor at LTH, the host company/organisation/university, and the student. Throughout the training period/field work the trainee/field worker will remain a student of Lund University, LTH.

This agreement governs the relation between LTH and the host company/organisation/university for the below named student, concerning the training period/field work to be conducted.
