Supervisor

Supervisor:	Assistant supervisor:
Assistant supervisor :	Assistant supervisor :

This admission means that:

- the applicant can expect to have access to the same resources for their PhD as any other PhD students in the same subject of study, and will not affect the supervision of current PhD students (HF 7:34§).
- in the event that the admitted PhD student loses their scholarship or other financing, the department will finance the student in the form of a PhD employment for the remainder of their studies.
- the admission decision was made in consultation with a student representative (HL 2:7§).

This is to certify that the application for admission follows the current regulations:
