

Application – Special studies

Instructions

Students outside of the Faculty of Engineering LTH at Lund University may apply to register for technically oriented courses that will be counted towards a degree issued by another faculty/university. This is called Special Studies.

Please note that although the Admissions Office (Antagningsavdelningen) at LTH has access to the national study records (LADOK), additional supporting documents must be provided.

The application should be sent to "Special Studies", LTH Kansli, P.o. Box 118, 221 00 Lund

Decision about whether you have been accepted or not, are taken by the Admissions Office. You are not allowed to participate at the course/courses before you receive this decision.
